## Summary

I am a student at Durham College

## Experience

### Student Computer Technician

Durham College

Jan 2020 - Mar 2020 (3 months)

Assembled Computer Chassis, Partition hard drive, installed Windows 7 and Windows 10

## Education

### The Gow School

2011 - 2015

High School Diploma

### Durham College

Diploma of Education, Computer Systems Technician

2020 - 2022

### Vector Technology Institute

Diploma in Computer systems technology, Computer Technology/Computer Systems Technology

2016 - 2019

I did this because I wanted to learn more about technology and how to work with it, because the world around us is becoming more and more reliant on technology to help us work on school work and business work.

### St. Mary's University

Information Technology

2015 - 2016
